IMPLEMENTATION

US Sleep Diagnostics will schedule a technical site visit to allow your computers to upload sleep data to our Agile Dx web portal (*takes approximately 15min per computer, or we can work remotely with your IT staff*)

□ **US Sleep Diagnostics will schedule a staff after hours tutorial**

(may include as many staff as needed)

After hour tutorial includes:

- Front desk patient screener handouts
- How to prep device
- Patient instruction tutorial
- How to upload sleep data and retrieve sleep reports on the Agile Dx site
- Billing tutorial
- Address any staff questions

□ **BEGIN TESTING PATIENTS**

(remember we provide on going support within 24 hours to your office)

GOALS of Practice Profit Center:

- Patient Retention
- Flexible low capital or no capital financing options
- Return on investment is immediate
- No additional office staff needed, minimal charge, 3 click Web Portal Interaction
- Physician retains normal daily workload
- Increased revenue to the practice
